--

**Please Comment if you have any issues with the following in the boxes provided:**

Although a company vehicle will be provided for you to carry out installations during the day, AMB Glass Ltd's company policy is that vans are not issued to members of staff to travel to and from work until they have been employed by us for at least 3 months and only if one is available. After this period this will be reviewed and a decision will be made.  
Please Comment:

If you live further than 15 miles away from AMB Glass Ltd do you have any issues with the costs you will incur travelling to and from work?  
Please Comment:

You will be required to provide your own tool kit for the job. AMB Glass will provide some equipment i.e. drill bits, fixings, silicones etc however all hard tools must be supplied by you.  
Please Comment:

Very rarely we will have out of hours/weekend work with paid over time. Do you have any issues with this?  
Please Comment:
